

33 of the Best Mac Tips from 2018

Jan 1, 2019 - OSX Daily

Happy New Year! We've put together a collection of some of the best Mac tips and tricks we covered from the past year, 2018. These are certainly not the most popular tips from the year prior, but they are some of the more interesting or useful tips and tricks for Mac users to know, covering a broad range of topics. Some you may know, some you may not.

Anyway, browse around and take a look at the link list below, and perhaps you'll learn something new!

- [How to Add AirDrop to Mac Dock for Quick Access](#)
