To change your Zoom screen name on a Mac before entering a meeting, sign in to the Zoom desktop app, click your profile picture, then select Profile. From there, click Edit next to your display name, enter your desired name, and click Save. support.zoom.com usebubbles.com

Changing Your Zoom Screen Name on Mac

To update your Zoom screen name on a Mac before joining a meeting, follow these steps:

Step-by-Step Instructions

1. Open the Zoom Desktop App. Launch the Zoom application on your Mac and sign in to your account.
2. Access Your Profile: Click on your profile picture located in the top right corner of the app.
3. Edit Your Display Name
4. Select Profile from the dropdown menu.
5. Click on Edit next to your display name.
6. Enter Your Desired Name. Type in the new display name you want to use during meetings.
7. Save Changes. Click Save to apply the changes.
